Allah Ta'ala aptly reminds us in the Qur'aanul Kareem of His magnanimous favour in sending Nabi *Sallallaahu Alayhi Wa Sallam* to mankind where He says: **"Indeed Allah had conferred a great favour on the believers when He sent among them a messenger from amongst themselves"** (Sura Ale Imraan, verse 164). When Allah Ta'ala created this world with all its resources and adornments He did not cite this as a favour upon mankind and nor did He cite as a favour upon mankind when He created mankind as His masterpiece and endowed him with the various faculties of intelligence, sight, perception etc. However, Allah Ta'ala deemed appropriate to remind mankind of His favour when He deputed Nabi *Sallallaahu Alayhi Wa Sallam* to mankind. The reason behind this was that mankind was now conferred with a favour that would transform and change his very being and return to him his nobility, dignity and honour in the sight of his creator.
